

Honoring the Past, Building the Future

You are invited to become a member of the Edison High School Foundation for the 2011-2012 school year!

The purpose of the Edison High School Foundation is to raise funds for programs and services which promote educational excellence for the students of Edison High School through active partnerships with students, teachers, staff, parents, alumni and the community. Our goal is to support and inspire students at all educational levels by providing the tools they need to succeed in the global community. Member support in these challenging economic times is critical because our schools will be getting less funding and will be relying on us to help continue the outstanding programs and services currently offered.

With your support the Edison High School Foundation has:

- provided much needed computers, software and resource materials for the Career Center
- raised funds for the web coated picnic tables in the bowl and SAC areas
- provided student planners at no cost to EHS families (Edison is the only school in the District offering planners free of charge)
- obtained funding for the EHS Pageantry Corps to purchase new equipment
- purchased a new, portable Public Address system for the school
- facilitated a donation to the EHS Science Department with a matching gift from Boeing California
- provided funding for the Teen Truth Live, Drugs and Alcohol education program for students and parents
- provided funding for a digital display monitor for the Administration building

**Please help our students by joining the Foundation!
Bring this completed form to registration in August**

Questions? Please contact Renee Mock, President, at Renee@EdisonHighFoundation.org or (714) 968-7334
