

Almost there!

* GOAL: 16 Webcoat Tables *

Last year, Edison High School was able to purchase and install 18 new webcoat tables around campus. There are 14 tables under the shade structure and 4 in the SAC area. This purchase was made possible as a result of your generous donations and matching funds from the school budget.

The tables are in constant demand and the students appreciate having a clean and comfortable place to finish homework, gather with friends and eat lunch. **There are more than 2,500 students at Edison and they need more tables around campus.**

We that realize we are all faced with tough economic challenges so now is the time to make the wisest choices about where your dollars go. You can be a philanthropist. According to Charles Best, author of "A New Way to Give," "Enough people with small amounts of money can make a real difference. Become a "citizen philanthropist." Organizations are now getting as much funding from hundreds of ordinary folks as they used to get from a just a few wealthy patrons." Your donation will not only benefit your student in the coming year, but many more students in the years to come.

"Thank you for collaborating with the school last year to purchase the beautiful lunch tables for our students. Your donations are greatly appreciated. The tables are used throughout the day and many students have said, "Thanks." We hope to add more tables to provide our students with areas at which to eat their lunches, study in groups and finish their homework before going to a practice or job. I appreciate your ongoing support of our Charger students."

— Dr. Melendrez, EHS Principal

It's still not too late to help! Donate now before May 15th!

If you have already donated The EHS Foundation and your students thank you for your generosity.

The Goal is to purchase an **additional 16 tables** to help the extreme shortage of seating

Projected Cost: \$17,000

Donation Deadline: May 15, 2009 Installation: Summer 2009

Once again, we hope we can count on your generosity and unwavering support. **Please return the form below in the envelope provided no later than May 15, 2009.** Together we can make a difference for our school and for our students.
