

Honoring the Past, Building the Future

Dear Corporate Sponsor/Business Owner:

The Edison High School Foundation is pleased to host its 9th annual "Flash From the Past" Car Show at Edison High School on Saturday, May 1, 2010. Because we value your business in the Huntington Beach community, we invite you to participate as a show sponsor or vendor.

About the Show

This year's show will have more than 150 entries and will be attended by parents, students, faculty, alumni and the local Huntington Beach community. All proceeds will go to the Edison High School Foundation to meet the many needs of our school, faculty and, most importantly, students. Your generous donations have helped purchase new technology for the school's Career Center, lunch tables for the student bowl, and new equipment for the EHS Pagentry Corps. These donations help give our students the tools they need to succeed in the global community.

Benefits of Supporting the Edison High Foundation

- We are a non-profit 501(c)(3) foundation and your contributions are tax deductible
- Your donations will be acknowledged on our website and other advertising media
- Attendees of the show are encouraged to support our sponsors and advertisers

The Bottom Line

Schools are at the heart of every community and are central to civic pride. Businesses that support the Edison High School Foundation enjoy unprecedented visibility with community families through regular promotions via the internet, e-mail, school events, and in media throughout the community. Be perceived by your community's families as the business that cares, the one that gives back.

We thank you in advance for your thoughtful consideration of our request. Your contribution will be of great benefit to the students at Edison High School. If you have any further questions about the "Flash From the Past" Car Show, please call me at (714) 849-9571 or visit our website at www.edisonhighfoundation.org.
